Golden Gate University School of Law Class of 2013 Employment Summary Report Prepared July 2014

Each year, GGU School of Law compiles information on the employment status of our recent graduates months after nine graduation. For the Class of 2013, we received information regarding 96% of the class (219 out of 228 graduates).

While this data may be helpful in understanding general employment trends, the information does not provide the full picture of the experience of our graduates or predict future employment outcomes.

We encourage you to contact GGU Law Career Services. Our career advisors are eager to tell you about the unique services and resources we provide to our students and alumni to support them in their successful transition from law school to law practice.
