**The California City, County, and State Employee Grant (CACCSE Grant)** is a 30% tuition Grant available to full-time California city, county, and state government employees enrolled in our degree granting or certificate programs in Executive Master of Public Administration (EMPA) and Masters of Science in Information Technology Management at GGU.

I am submitting my application for the GGU California City, County, and State Employee Grant (CACCSE Grant). My signature below indicates that all of the above statements are true and correct to the best of my knowledge.

- I understand I must submit this form by the priority deadline which is the start of the term I am applying for.
- I understand as soon as I am able to register for each term, I must email the Financial Aid Office (FAO) at [finaid@ggu.edu](mailto:finaid@ggu.edu) with my **Full Name, Student ID Number** and **the exact number of units**. Upon receipt of the email, the CACCSE Grant will be applied onto my account.
- I understand the CACCSE Grant of thirty percent (30%) of tuition will be applied, as long as I am employed "full-time" by a California City, County, and State government entity.
- I understand that my employment will be verified by the FAO. My employer's contact information or employer's verification number is true and correct as stated above.
- I understand if my employment ceases with the Employer listed above, it is my responsibility to notify the FAO at [finaid@ggu.edu](mailto:finaid@ggu.edu), so no further grant is applied to my account.
- I fully understand that only courses required with the degrees or certificate programs listed above are eligible for this grant and any additional course will not be eligible and not included in the calculation to receive the 30% reduction.
- I understand I may only receive one grant, scholarship, or tuition discount per trimester from Golden Gate University (GGU); all GGU Grants are applied towards tuition. If I am receiving outside sources to cover tuition costs, such as Employer Reimbursement, VA benefits, Scholarships, and/or Grants, all sources received may not exceed tuition costs for the term.
- I understand the **application deadline is the last day of the term**, for which I am applying for.
- I understand the grant is **not** retroactive and cannot be applied to terms that have been completed prior to the submission of this form.
- The CACCSE Grant is not applicable to Golden Gate School of Law programs or classes.
- If my enrollment plans change, I must notify the FAO immediately. This may result in a re-evaluation of my eligibility for the CACCSE Grant.
