

STUDENT REQUEST FOR WAIVER OF REQUIREMENTS

At the discretion of the LLM Tax/Estate Planning Program Director, LLM students may request that particular required courses be waived. Please note that there should be a valid educational reason for requesting this waiver. **Students must attach a one-page statement in support of their request.**

If requesting to waive a requirement due to the fact that an equivalent course was previously completed at GGU or at another ABA-accredited law school more than five (5) years ago, course descriptions and/or syllabi of those courses should be attached to this form.

If a student's request for a waiver of required courses is granted, the student is still responsible for completing the equivalent unit requirements toward their degree (24 in total).
