

Summer 2023 CALI AWARDS

August 17, 2023

The CALI (Center for Computer-Assisted Legal Instruction) Award may be given, at the discretion of the instructor, to one or two students in each JD course. There is no restriction on types of law courses or number of students in the course, so CALI Awards may be given in small courses and/or courses graded credit/no credit. The CALI Award is given to the most outstanding student(s) in the class, which may be determined by academic achievement, class participation, special contributions made to the class by students, or other appropriate factors as determined by the instructor. Instructors are encouraged to award the Witkin and CALI awards to different students.
