**CORPORATE/AGENCY DIRECT BILL PLAN AUTHORIZATION FORM  
SUMMER 2024**

Students whose employer will pay Golden Gate University directly for educational expenses may defer payment at the time of registration with this completed Authorization Form. The following conditions apply:

- 1. In order to be eligible to select this plan **the employer must be a third party other than the student**; GGU and the employer must execute this contract prior to registration.
2. The company agrees to pay tuition for the authorized employee/student without course completion or grade limitations.
3. The University will bill the company directly for all authorized costs, and the payment is due upon receipt. Late payment will result in a late charge of \$40 and a 1.5 percent finance charge per month commencing after the due date.
4. The student must have this form completed by the employer and submitted to GGU at sas@ggu.edu. The form has to be received at Student Accounting Services prior to the term payment due date. The employer representative signing this form must attach a business card – if card is not available, an approval email from the authorized officer will be sufficient.
5. **Tuition and fee charges remain the student's responsibility. If for any reason, the employer refuses to pay the University, the student remains responsible for any outstanding balance prior to registering for a subsequent term.**
